

TRAVELING PLANETARIUM

Price Guide* For Schools

Program cost is based on the number of students attending the planetarium, in groups of 25. Staff/chaperones are not counted in the cost unless you have more than three chaperones per group of 25. (Please contract us in that case.)

Number of children attending	Program Cost**	Number of children attending	Program Cost**
1-25	\$225.00	151-175	\$750.00
26-50	\$350.00	176-200	\$800.00
51-75	\$450.00	201-225	\$850.00
76-100	\$525.00	226-250	\$900.00
101-125	\$600.00	251-275	\$950.00
126-150	\$675.00	276-300***	\$1,000.00

****Approximate maximum number that can be accommodated in a single school day, but multiple day visits are possible; please contact us for a price quote if your student count exceeds 300*

Travel Fees are additional and include travel time (\$60.00 per hour to your location from Frederick, MD, prorated to the nearest quarter hour) and mileage (\$1.00 per mile (one way)). The first hour and first 15 miles are free.

**This is a guide, not a guarantee of final cost. We reserve the right to adjust our prices based on the circumstances of the individual visit. You will receive a total cost of visit before being asked to commit, but not before we have communicated with you directly.*

***Prices are for standard length programs of approximately 45 minutes. We feel that this program length is ideal for most groups, allowing for both instructional time and questions from the audience. Program times can be adjusted to better suit the age of the audience, your schedule and/or other circumstances.*
